Equal Opportunity Employer Statement

Duke University is an Affirmative Action/Equal Opportunity Employer committed to providing employment opportunity without regard to an individual's age, color, disability, genetic information, gender, gender expression, gender identity, national origin, race, religion, sex, sexual orientation, or veteran status.

Duke aspires to create a community built on collaboration, innovation, creativity, and belonging. Our collective success depends on the robust exchange of ideas—an exchange that is best when the rich diversity of our perspectives, backgrounds, and experiences flourishes. To achieve this exchange, it is essential that all members of the community feel secure and welcome, that the contributions of all individuals are respected, and that all voices are heard. All members of our community have a responsibility to uphold these values.
**Position: On-Site Director**

**Qualifications:** The successful candidate will have a bachelor’s degree at minimum – a Master’s degree is preferred. The degree should be in business, residence life, or a related area. The successful candidate will have significant administrative knowledge that demonstrates successful residential, operational, academic, and logistical experience; enjoys spending structured and unstructured time with young people; effective communication and interpersonal skills; and be able to provide leadership for the staff and foster a positive working environment.

**Job Responsibilities and Expectations:**

- Is supervised by and works in unison with Dr. Charles to mentor and evaluate the senior administrative staff including the On-Site Academic Coordinators (AC), Director of Transportation (DOT), On-Site Deans of Residential Life (DRL), Residence Hall Directors (RHD), the Director of Logistics (DL), and the Office Assistants (OA).
- Maintain the highest level of attention to risk management and safety for staff and students.
- Understand and adhere to FERPA, HIPPA, TITLE IX, and confidentiality guidelines.
- Possess cultural awareness.
- Work with the administrative staff to train and mentor the Residential Assistants and instructional staff.
- Serve as a liaison with Duke Conference Services department and oversee interactions with outside vendors as well as day-to-day fiscal management of Summer College/Academy.
- Demonstrate a strong understanding of all staff materials having reviewed and learned these prior to the start of the program.
- Live on campus in order to maintain high visibility during Summer College/Academy and remain available 24/6 for the duration of the program for risk management purposes.
- Oversee human resource issues, training, mentorship, evaluation and conflict resolution for staff.
- Lead, guide, and support students and staff and set the tone of the site through a consistent, positive interpersonal style while serving as a role model for professionalism.
- Regularly attend internship workshops that are tailored to aid the staff in their professional development.
- Is committed to working as a team player and has the ability to work independently when appropriate.
- Successfully lead the students and staff by means of inspiration, support, ownership, and compassionate guidance in potentially challenging situations.
- In collaboration with Dr. Charles, guide all students and staff disciplinary issues.
- Work closely with the residential, logistics, and academic team to ensure communications across departments is exemplary.
• Carry out additional duties as deemed necessary by Dr. Charles.

Additional Requirements

• Should driving be required, staff member needs to have a clean driving record from the last three years and be comfortable driving Duke University vehicles.
• Agrees not to consume alcoholic beverages on Duke University’s campus, nor be on campus in an inebriated state.
• Provides a written report within two weeks from the end of the program to Dr. Charles.
• Successfully passes the Duke University criminal background check and online Minor’s Training.
• Agrees to adhere to all duties before, during, and after the program as outlined in the staff materials.

Compensation: Meals, field trips, and activities fees, plus a stipend of $5,650 for approximately six weeks.
Position: On-Site Director of Logistics

Qualifications: The successful candidate will have a bachelor’s degree, preferably in business, residence life, or a related area; significant administrative knowledge that demonstrates successful operational and logistical experience; enjoy spending structured and unstructured time with young people; effective communication and interpersonal skills; and be able to provide leadership for the staff.

Job Responsibilities and Expectations:

- Is mentored by, and works in unison with, the On-Site Director of Summer College/Academy for High School Students programs.
- Maintain the highest level of attention to risk management and safety for staff and students.
- Work with the administrative staff to prepare for staff arrival.
- Work with the administrative staff to train and mentor the Resident Assistants and the Teaching Associates, including preparation of materials and creating the training schedule.
- Coordinate and direct student arrival and departure weekends together with the Director of Transportation and the administrative staff.
- Organize and maintain a professional, organized, and efficient working environment.
- Understand and adhere to FERPA, HIPPA, TITLE IX, and confidentiality guidelines.
- In coordination with the Director of Transportation, oversee transportation needs of students and staff, including arrival and departure days and all residential activities. Maintain a record of vehicle gas use, maintenance, keys, names and locations of vehicles, and rental agreements.
- In the event of an emergency or medical situation, the Director of Logistics is responsible for reporting the emergency immediately to the On-Site Director of Summer College/Academy for High School Students.
- Regularly attend internship workshops that are tailored to aid the staff in their professional development.
- Successfully lead the students and staff by means of inspiration, support, ownership, and compassionate guidance in challenging situations.
- Set the tone of the site through a consistently positive interpersonal style and serve as a role model for professionalism.
- Maintain with accuracy all office documentation, mail room, vehicle system, and necessary electronic and paper logs.
- Successfully communicate with parents, students, and staff – particularly with regard to program logistics.
- Work closely with the On-Site Director of Summer College/Academy for High School Students programs to manage relations with Duke Conference Services and outside vendors.
- Possess cultural awareness.
- Demonstrate a strong understanding of all staff materials having reviewed and learned these prior to the start of the administrative training.
• Pack up the office at the end of the program in an organized manner and create an inventory of office equipment and supplies.
• Work closely with the residential and academic team to ensure communication across departments is exemplary.
• Carry out additional duties as deemed necessary by the On-Site Director of Summer College for High School Students.
• Is committed to working as a team player and has the ability to work independently when appropriate.
• While this staff member is not required to live on campus, there will be many days where the rotating schedule of the two Directors of Logistics will require that these staff members work overnight.
• Not required to live on campus.

Additional Requirements

• Should driving be required, staff member needs to have a clean driving record from the last three years and be comfortable driving Duke University vehicles.
• Agrees not to consume alcoholic beverages on Duke University’s campus, nor be on campus in an inebriated state.
• Provides a written report within two weeks from the end of the program to the On-Site Director.
• Successfully passes the Duke University criminal background check and online Minor’s Training.
• Agrees to adhere to all duties before, during, and after the program as outlined in the staff materials.

Compensation: Meals, field trips, and activities fees, plus a stipend of $4,100 for approximately six weeks.
